Re: Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH)- Statement of Compliance

Date: January 2, 2021

As a distributor, Thin Metal Sales (TMS) does not melt any of the materials provided to our customers; however, Thin Metals Sales does ensure our suppliers' compliance to REACH and the material provided to TMS does not contain any significant amount of the chemicals listed the Candidate List of Substances of Very High Concern (SVHC).

In the event one of our customers need further documentation from a producing mill noting specific compliance, TMS does keep current copies on file and will be glad to forward per request.

Best Regards,

A handwritten signature in blue ink, appearing to read 'Jonathan Mulvihill', with a large, stylized flourish at the end.
